## EOL Notification, Conditions Ex-KCC PC/104 Boards

Dear Sir and Madam,

You know we have transferred the KCC board and box products to KEU in the past few weeks. After detailed examination like product status, quantity of orders and requests, technical status and also revenues we have decided to phase out the listed products or at least to limit the availability. Please attend the comments in "LTB/last shipment and replacement" columns.

Please find below the EOL schedule and conditions for Ex-KCC PC/104 Boards.
